

Greenways

Community resources kit

Have your say: Greenways proposed new links

Community consultation period: 31 March to 5 May 2026

We are expanding and connecting our network of shared paths to make it easier to move around Boroondara sustainably. We are consulting our community on proposed new greenways links for walking, running and riding.

This promotional kit includes:

- **key messages** you can share when promoting the consultation in your newsletters and on social media
- **a social media tile** in 1:1 format and 9:16 format
- a downloadable **A4 poster**.

Message to include in newsletters

Have your say: Expanding and connecting paths to walk, run and ride

City of Boroondara is proposing to expand their network of shared paths for walking, running and riding. They want to make it easier for everyone to move around sustainably.

Have your say on the new links they've proposed, suggest your own, and tell them about paths in parks or reserves that could do with more planting.

Share your feedback by Tuesday 5 May:
